What is Household Helpers?

Household Helpers is part of Kno-Wal-Lin's Help At Home Program; a not-for-profit, state licensed, private duty program serving Knox, Waldo and Lincoln Counties. We have developed **Household Helpers** to assist community members with finding reliable, honest, and competent people to assist with household jobs and services. Kno-Wal-Lin has been serving our community for over 40 years and has a stellar reputation.

Why do you offer these services?

Household Helpers was created because, over the years, we have heard our clients suggest that they need assistance with various and unique household chores and errands, odd jobs and transportation. **Household Helpers is for anyone.** *Working people, busy people, young couples, seasonal homeowners, the physically challenged or retirees...all can benefit from our services.*

How can I find out about your services?

To find out more, please call **207-594-9561 or 800-540-9561** and ask for **Marcia Wyman our Household Helpers Program Manager**. After speaking with you over the phone, we will personally meet with you to develop a personal plan that will fit your needs and requirements. It generally takes a week from the beginning of the process until services are started.
